E-WASTE POLICY

At NeoDash, we understand that our responsibility includes end-of-life management for products or parts. Aligned with the goal of sustainable business development and as per the legislation passed by the Ministry of Environment and Forests (MoEF) (called E-waste (Management & Handling) Rules, 2016), which came into effect from 1st Oct 2016, we are committed to the goal of environment protection.

NeoDash Technologies Private Limited is committed to the "E-Waste (Management) Rules 2016" E-Waste (Management) Amendment Rules, 2018 for collection, disposal, or recycling of e-waste generated from end-of-life NeoDash products. The 'end of life' period (average life) of NeoDash ceiling fans is 10-15 years.

As a part of the e-waste recycling initiative, NeoDash Technologies Private Limited has impaneled **Exigo Recycling Private Limited** authorized by State Pollution Boards & Govt. of India to collect, dismantle, and recycle E-waste across the country.

Guidance on Safe disposal:

Old NeoDash branded products can be dropped off at your nearest drop point location. Refer to the list below. Do reach out to us at +91 9535080135 or cs@neodash.in for e-waste recycling-related support.

Dos:

Make sure that your electronic products are recycled only by authorized recyclers/dismantlers.

Don't:

Do not mix/ dispose of the end-of-life NeoDash products with other municipal waste as it may end up reaching the landfill

Do not throw any electronics (including batteries) in garbage bins with having 'Do Not Dispose of' sign.

Never dismantle your electronic products yourself.
